Readership Profile

※2025年2月時点

Point 1

Wide Reach Across the Maritime Industry

Our readership spans operators, shipowners, shipyards, marine equipment manufacturers, financial institutions, insurance companies, and trading companies.

Point 2

Trusted by Senior Executives and Business Leaders

Read by management and professionals responsible for corporate strategy, investment planning, and key business decisions at leading maritime companies.

Point 3

A Valuable Long-Term Reference for Industry Professionals

Known for its in-depth analysis of industry trends and market developments, the magazine is retained as a long-term reference rather than discarded after a single reading.

About COMPASS

COMPASS is a bimonthly maritime magazine covering the shipping, shipbuilding and marine equipment industries. It provides in-depth market analysis and timely features on industry leaders, innovation and global trends.

Ad Submission Guidelines

To ensure a smooth advertising placement process, please confirm that you meet the following requirements before submission:

■ Basic rules

The basic rules for submitting your ad data are listed below. If you require further details, please let us know, and we will send you the complete Ad Submission Specifications separately.

- Submission Data: Adobe Illustrator file with outlined fonts or print-ready high-resolution PDF.
- Proof/Mock-up: Please send a sample PDF exported at the final actual size.
- Resolution: 300 dpi or higher.
- Color Settings: CMYK (process color) or Grayscale.

Note: RGB and spot colors are not permitted.

■ Paid ad production

We can create your ad design. We will produce the design based on the creative brief and materials you provide. The cost will be estimated separately based on the ad size and production details.
