# Ad Submission Guidelines

To ensure a smooth advertising placement process, please confirm that you meet the following requirements before submission:

## ■ Basic rules

The basic rules for submitting your ad data are listed below. If you require further details, please let us know, and we will send you the complete Ad Submission Specifications separately.

- Submission Data: Adobe Illustrator file with outlined fonts or print-ready high-resolution PDF.
- Proof/Mock-up: Please send a sample PDF exported at the final actual size.
- Resolution: 300 dpi or higher.
- Color Settings: CMYK (process color) or Grayscale.

Note: RGB and spot colors are not permitted.

## ■ Paid ad production

We can create your ad design. We will produce the design based on the creative brief and materials you provide. The cost will be estimated separately based on the ad size and production details.
